Airman Rustrum Sent to Radio Operator Class

Airman William A. Rustrum, of Mr. and Mrs. Ralph W. Rustrum of 2408 237th Street, Torrance, has completed his initial course of Air Force Military training and has been selected to attend the technical training course for Radio Operator at Kessler AFB, Miss.

Prior to enlisting in the US Air Force in Nov. 1959, Airman Rustrum graduated from North Torrance High School.

Basic airmen at Lackland AFB are selected for specialized training on the basis of their interest and aptitudes according to Tech Sgt. Duane H. Hettler, local Air Force Recruiter whose office is located at 1319 1/2 Sartori Ave.

He said the test to determine a young man's aptitudes are given before enlistment. Those desiring more information relative to enlistment can contact him at his office or by calling FA 8-1404.

The Old Timer
"The toughest problem some children face is that of learning good manners without seeing any."

Employment Office Sets Trainee Test

An examination for the position of employment security trainee to serve with the Department of Employment, will be held April 2, it was reported

this week by Murray W. Love, manager of the Department's Torrance office.

Applications for the examination must be filed by March 11, he said.

Trainee positions exist throughout most of California including offices in this area, Love said.

Key Moore Engineer Leads Northrop Alumni Headed by President Ed Stephens, design engineer at Horkey Moore Co. in Torrance, 1960 officers of the Northrop Institute of Technology Alumni Assn. were announced by President James L. McKinley of the Inglewood engineering college.

can Aviation; Secretary Earl Dieckman, engineer on flight control design at Nartronics of Northrop Corporation; and Treasurer Ed Birmingham, with the Rucker Co. of Southgate. The Northrop Institute Alumni Assn. meets regularly at college the second Thursday
